

2025 VISION

HITEC

Highly Integrated T&E Complex
A Robust Capability Supporting All
Phases of A/M and C4I Acquisition
Life Styles

STRATEGIES

1. Grow Hybrid Capabilities
2. Exploit Land, Water, Airspace Capabilities
3. Integrate Space Capabilities
4. Automate Test Capabilities
5. Initiate "Non-Traditional" Weapons Test Capabilities

The Range 2025 vision is supported by strategy development aimed at advancing Eglin as a "Highly Integrated Test and Evaluation Complex."

HITEC

"HIGHLY INTEGRATED T&E COMPLEX"

Weapon Systems

- Models
- Components
- Prototypes
- Development
- Sustainment
